13	\$1,050
14	\$1,025
15	\$1,000
Total	\$20,025

A driver will need to attempt to qualify for at least five of the six events to be eligible for point fund money. If a driver finishing in the top 15 in points does not attempt to qualify for at least five events, that position will simply go unpaid for the year. The entirety of the point fund will be paid by Sweet Manufacturing. The top three drivers in the final point standings will also receive a trophy. All points will stay with the driver, not the team.
