How the Gary Terry "Follow Your Dreams" 125 Field will be Set:

Qualifying: **The fastest 20 qualifiers will be locked into the race.**

Positions 21: Kalamazoo Speedway Point Provisional: The highest driver in current Kalamazoo Speedway Outlaw Super Late Model point standings that does not qualify in the top twenty, will start 21st. If no drivers are eligible for this provisional the position will not be filled.

Position 22: Lane 75 Provisional: The highest finishing driver in the May 26 "Lane 75" that does not qualify in the top twenty and does not take the point provisional, will start 22nd. If no drivers are eligible for this provisional the position will not be filled.

Position 23: If the "B" Feature winner elects to forfeit their "B" Feature pay, they may elect to start on the tail of the "A" Feature.

Inversion: The inversion for the Gary Terry "Follow Your Dreams" 125 will be eight plus the roll of two dice. Essentially this will make the inversion between ten and twenty. The inversion for the "B" Feature will be the roll of one dice, making the inversion between one and six.

Race Format - This 2nd annual Gary Terry "Follow Your Dreams" 125 will be a 125 lap race with no breaks. There will be a competition caution at lap 100. If there has been a caution after lap 75, the competition caution will not take place.

Tire Rules for the 125 lap Gary Terry "Follow Your Dreams" 125: All teams will be allowed a total of **4 race tires (Hoosier 3045/3045)** for qualifying and racing. These tires need to be purchased the day of the race at the track. No race tires may be purchased on practice day.

Simplified Gary Terry "Follow Your Dreams" 125 Race Format/Rules

- **Due to the large expected car counts, all cars will be parked in the infield and all trucks and trailers will be removed from the infield. Bring your easy-ups, tarps and war wagons....no trucks or trailers will be left in the infield.**
- The qualifying order will be determined by the speeds in the final "Gary Terry Follow Your Dreams" 125 practice session. The slowest car in the final practice will qualify first, while the fastest car in the final practice session will qualify last. If a car does not compete in the final practice session it will be the first car to qualify. If multiple cars do not compete in the final practice their order will be determined by a blind draw. If any car does not qualify in the position they are scheduled to, they will lose one lap of qualifying. If there is a tie in qualifying to the thousandth of a second, the tie breaker will be the car higher in the current Kalamazoo Speedway Outlaw Super Late Model point standings. If the tie is still not broken the next tie breaker will be the faster car from the final practice session. The final tie breaker will be a coin flip (2 drivers) or blind draw (3 or more drivers).
- The top running eligible lapped car at each caution (including the competition caution) will receive the "Lucky Dog Free Pass". A car is not eligible to receive the "Lucky Dog Free Pass" when, in judgment of the officials, 1) The car caused the caution 2) The car was in the pit area when the caution came out or 3) The car has been penalized with a discretionary call. In the case of a discretionary penalty, it will be made known to the competitor, at the time the discretionary penalty is imposed, that the car will not be eligible to receive the "Lucky Dog Free Pass" to make up the penalized lap(s). Transferring the "Lucky Dog Free Pass" will only occur when the first eligible car becomes ineligible to receive the "Lucky Dog Free Pass" because of a discretionary penalty, because the car pitted under the caution or because the first eligible car is not in competition at the time the yellow flag is displayed. Then the "Lucky Dog Free Pass" will be transferred to the next eligible car. There will not be a lucky dog on a "false start".
- 125 laps with no breaks. There will be a competition caution at lap 100. If there has been a caution after lap 75, the competition caution will not take place. Tire rule will be the Hoosier 3035/3045 slick purchased from the track on June 8th.
- All Double File restarts, even in the "B" Feature. The leader will choose their lane and the second place car will fill the other position on the front row. Starting with 3rd place on back odd numbered positions will line up on the inside and even numbered positions will line up on the outside. In the event there is a car being sent to the tail, a lucky dog and a car coming out of the pits, they will be lined up in that order.
- Please email your entry ASAP to shawn@kalamazospeedway.com. Put "Gary Terry Entry" in the subject line. Include full name of driver, car #, home town and car owner. Pre-entry is FREE up until 8:30pm on Tuesday, June 13. Entries taken after that time will be subject to a \$50 entry fee.
