New Qualifying Procedures for 2017

For the first time ever all Super Shoe qualifying will be group qualifying, as there will no longer be any single car qualifying. Every practice session will now double as a group qualifying session. Your fastest lap from all practice/group qualifying sessions will be your official qualifying time for the event. Eliminating the single car qualifying has allowed us to increase the amount of track time you will receive before the races, which should allow each driver to get several clean laps on the track in order to post a good qualifying time.

Camping Info: 269-692-2423 or gary@kalamazoospeedway.com A \$50 clean-up fee will be charged for each camper unit payable when you bring in your camper. **NEW FOR 2017 - GOLF CARTS ONLY** – No ATV's, scooters, tractors, lawn mowers, mini bikes, quads, side by sides, etc. etc.!! All Golf Carts will be parked at Midnight each night. If you are caught driving too fast or too careless, a Speedway Official has the right to impound your Golf Cart for the weekend. No Staking out campsites until Sunday, Sept. 24th at 2PM sharp!! We will be removing all pre-staked out sites at 1:45PM before the shotgun start goes off at 2PM. Stake out only the size you need for your campers - not for your haulers and trailers as we have an area across the street for trucks & trailers.
