

TRY IT BEFORE YOU BUY IT

New for 2018 is a “Try It Before You Buy It” Rookie Night on three to four Wednesday nights during the season.

Kalamazoo Speedway has had numerous parents ask if their son or daughter could try out a Rent-a-Ride car prior to purchasing a racecar. Previously the minimum age to take the seat in a Rent-a-Ride was 18 but Kalamazoo Speedway’s new insurance carrier has allowed us to drop the age to 14 (with a [notarized consent waiver](#)¹ signed by both parents).

The cost for Rookie Night is \$150 and will consist of a 2-hour track orientation and practice session where drivers will get plenty of track time without other cars on the track. It’s a great learning experience for the younger driver to see how fun and electrifying the sport really is. It’s also an opportunity for potential drivers to decide motorsports as a driver isn’t for them, as they may have thought, before a racecar is purchased and decked out. A win for everyone.

A “Crash Clause” deposit of \$300 is required. The Crash Clause will NOT be applied for normal wear and tear on the car or typical racing incidents. Designed to encourage responsible driving, the Crash Clause will be invoked only for reckless driving and/or intentional crashes.

To reserve a car or obtain more information, contact the Speedway office at 269-692-2423 or Gary Howe at gary@kalamazoospeedway.com.

¹ A consent waiver must be completed for drivers 14-17.
