Come on out for an evening of family fun when Kalamazoo Speedway offers its salute to the 4th of July. We'll have stunts, novelty races, a demolition derby plus bus & trailer races AND Scarecrow will be back with his own special brand of entertainment! Want to participate in the demolition derby or trailer race? Do you have what it takes to participate in the (street legal trucks or SUVs) spectator drags? Check out the link below for rules and payouts. To cap off the night we'll blast off a FIREWORKS display that is unrivaled in the area. Don't wait until the last minute to arrive; the program will start at 7:30 sharp. Boarding for the free bus rides will be in the infield pit area; the last bus rides will board at 7:00. Monster truck rides are \$5 per person and will board near the main pit gate entrance.

It was a busy day at the track on Sunday putting things in order for the RED, WHITE and BOOM! Runners were fixed up to get wrecked (an oxymoron, right?) and those that couldn't be coaxed into service were relegated to Monster Truck fodder.

JUNE 22 RECAP & TRACK TALK

Ugh. Is there anything more to say about the **JUNE 22** washout?

We're up to FIVE events being totally or partially rained out; that's approaching the all-time 2015 record of seven washouts.

This Saturday's program (the Red, White and Boom) is a rain or shine event, but all the same we'd rather have perfect weather!

RENT-A-RIDES make a great gift or anniversary present (or gift yourself!) We provide everything but you and your pit crew. A Crew/Safety Chief, personal and in-car safety equipment plus an orientation session which includes taking laps around the track are all part of the experience.

Colby Geer makes sure the driver is comfortable and ready to qualify.

Todd Trowbridge made it four years in a row for taking a rental out for a whirl.

Brandon Jeannot checks his RACEceiver before heading out to qualify.

The following dates have limited seats left for 2018.

July 13
July 27
August 3

To the right....."*

Says Rob Phillips, "Jan (VanderMeeden) you have to help pedal or we will never get there."

Skeeter! Is this right??

**Seriously Gary? We are not doing the
YMCA here!**
