

Kalamazoo Speedway's NOD 2018

Demo Derby Rules for Compact FWD & Mini Vans

GENERAL SAFETY RULES

1. **Safety is #1.**
2. All personnel in pits (Drivers, Pit Crew and Others) must purchase a pit pass & sign waiver.
3. Full face helmet & fire suits are required. NO open toed shoes allowed in the pit area.
4. Shoulder and lap belts are required; racing harness is highly recommended.
5. Remove all side window glass (or roll down 100%)
6. Having a horizontal crush bar from side to side just behind the driver's seat is recommended
7. Having a vertical crush/rollover bar behind the drivers seat is OK
8. If a battery is in the back seat, it must be strapped down extra tight & be securely covered
9. Air bags must be removed.
10. No alcohol in the pit area will be allowed!

DEMO DERBY VEHICLES

1. Cars Must be Stock. Windshield or safety bars must remain in the vehicles
2. Tires must be of OEM nature. No solid tires, no foam filled tires, no fork lift or bobcat tires, or trick tires!
3. Highly recommended to have a driver's door plate over the driver's door. All doors welded or chained shut
4. No body creasing, bending, welding or folding.
5. Rear ends must be stock. No Suspension modifications
6. No welding or beefing up frames. Bumpers must be a stock bumper – no extra steel channel or tubing
7. Stock engine & tranny for said vehicle
8. All side glass must be removed or rolled down 100%. Windshield or rear window optional.
9. No operational 4-Wheel drive vehicle. (You must remove front or rear driveshaft so 4 x 4 cannot work.)
10. If you spent over two days putting this vehicle together, it's probably over built
11. No driver door hits – no playing possum – good solid square hits – have fun & be safe
12. Kalamazoo Speedway has the right to allow or disallow any vehicle for any event.
