

Super Shoe 2018 Camping Rules & Regulations

Due to the growing popularity of the Super Shoe Nationals as well as being limited on how much camping space we can take up..... below are listed several reminders of our weekend camping policies.

- On Sunday, September 23rd at 2PM, there will be a “Shot Gun Start” and patrons on foot only will be allowed to run to reserve their pit spots. Fifteen minutes after the foot race is completed, vehicles will be allowed in. Please be respectful of other people as you race to reserve your spots. No stakes will be allowed to be put out early, as we will remove any stakes at 1:45 before we release the would be campers to find their campsites!
- The Camping Pass/Clean-Up Fee is \$50 per camper unit for the entire race weekend. ☑ Each camping spot is going to be figured at approximately 20’ wide x 50’ deep. We will not and cannot allow a 100’ x 100’ area to be roped off for 3 or 4 campers.....we no longer have the room to do this. If you are roping off an area for 4 or more camper units, get with your group of campers ahead of time and collect their clean up fee money as you must pay for all of your spots on the day you rope off your reserved camping area.
- Go ahead & get your spot marked out & such but do not rope off a huge area & just leave the property with a half a mile of caution tape spewed all over. Get with our people at the office trailer at the entrance of the driveway trailer out front and make arrangements to pay & pick up your camping passes at that time. Failure to check in at the office trailer without paying for your clean up/camping pass for each spot before leaving may result in losing of your space.
- There will be no saving excessively large camping spots for extra party space or an area to park your car haulers. We have space across the road for parking of trucks/trailers. Anyone sleeping in their enclosed car trailer will need a camping pass for that trailer. No sites will be allowed to have extra car trailers or haulers on their site.
- “Homestead Signs” are required for all reserved campsites to be posted before you leave your roped off campsite for the day. You will need to have a pre-made weather proof sign that you can post in the middle of your reserved area so we have an idea whose site belongs to who. It can be as simple as a laminated sheet of paper tacked to a pc of plywood or even a pc of plywood with your name & cell number spray painted on it, or you can get real creative with your Homestead Sign. Have your sign made ahead of time so you can post it before you leave the speedway grounds on Sunday!
- GOLF CARTS ONLY – No ATV’s, scooters, tractors, lawn mowers, mini bikes, quads, side by sides, three wheelers, etc!! All Golf Carts will be parked at midnight each night. If you are caught driving too fast or too careless or if you bring out your cart after the midnight curfew kicks in, a Speedway Official has the right to impound your Golf Cart for the weekend or you will be required to load it up & remove it from the Speedway Property. No drivers under the age of 12 will be allowed to drive a golf cart-no driving over 10mph.
- Super Shoe XXXII will be a fantastic weekend but there are rules that must be followed to keep this event alive & well!! The Kalamazoo County Mounted Division, the Kalamazoo County Sherriff’s Department, as well as the Alamo Fire Department will be patrolling the campground the entire weekend keeping an eye on fire lanes, excessive sized camp fires, excessive partying & generally unruly behavior.
- The Kalamazoo Speedway Staff as well as the Kalamazoo County Sherriff’s Department has the right to have you escorted off our property for Super Shoe Weekend. Absolutely NO fighting, illegal substances or under aged alcohol consumption will be tolerated or allowed on Kalamazoo Speedway property!

**Have Fun - Be Safe – Act Responsibly – And We’ll See
You all at Super Shoe XXXII!**
