**Qualifying Procedures for 2018** ~ All Super Shoe qualifying will be group qualifying; no single car qualifying. Every practice session will double as a group qualifying session. Your fastest lap from all practice/group qualifying sessions will be your official qualifying time for the event. Eliminating the single car qualifying has allowed us to increase the amount of track time you will receive before the races which should allow each driver to get several clean laps on the track to post a good qualifying time.

**Camping Info for 2018** ~ A \$50 clean-up fee will be charged for each camper unit payable when you bring in your camper. **GOLF CARTS ONLY** – No ATV's, scooters, tractors, lawn mowers, mini bikes, quads, side by sides, etc. etc.!! Golf Carts will be parked by midnight each night. If you are caught driving too fast or too careless, a Speedway Official has the right to impound your Golf Cart for the weekend. No Staking out campsites until Sunday, September 23 at 2 PM sharp!! We will be removing all pre-staked out sites at 1:45 PM before the shotgun start goes off at 2 PM. Stake out the minimal size needed for your campers; not for your haulers and trailers as we have an area across the street for trucks & trailers.
