

RWD Rules

All other Information (Camping, Dates, Admission costs, etc.) is on the Super Shoe General Info Flyer

RWD Super Shoe Rules 2018

- ✿ Full Safety Rules Enforced, including Full Fire Suit & Racing Gloves
- ✿ Racing shoes, a head & neck restraint, on board fire systems, etc., are all highly recommended
- ✿ A good safe car is required ~ track officials have the right to disallow any car from participating due to safety
- ✿ Cast Iron Blocks ~ 2700 lbs before qualifying/features ~ No left side weight rule
- ✿ 8" steel or aluminum safety wheels ~ No 9" or wider wheels.
- ✿ Tires Allowed: Hoosier 8" treaded tire; D-800, 970, 880, 800, 790 & Comanches. Most DOT Street Legal Tires ~ 60, 65, 70,75 or 78 series. No Hoosier TD or recaps
- ✿ Body Rules: Max front & rear overhangs of 48". All cars must be able to pass thru the "Magical Zoo Box" which is **84" wide** and **44" tall** for any verticals. 44" does not include the roll cage or roof height
- ✿ No verticals can interfere with driver's side window opening as per the Safety Crew's discretion
- ✿ All spoilers & verticals must be clear material
- ✿ If no top is being run ~ arm restraints are mandatory
- ✿ No radios or mirrors, no wings
- ✿ Officials Decisions are Final
- ✿ Drivers are responsible for the actions of their crews during the entire weekend
- ✿ No tire soaking materials of any kind allowed on Speedway property
- ✿ **RACEceivers are Mandatory** - NASCAR Licenses are not required
