

RACE DAY INFORMATION

Kalamazoo Speedway wants your family's visit to the Zoo to be a fun and entertaining experience. Be sure to take a look at the 2019 Schedule to check special events throughout the season. The following information and tips will assure your visit to Kalamazoo Speedway is an enjoyable one! We will see you at the races.

Tickets: Ticket offices are located to the right of the main entrance to the grandstands. There are 4 windows to provide prompt service. Cash or credit cards (MasterCard & Visa) are accepted. Pit passes are purchased at windows marked as such.

Free Parking: Kalamazoo Speedway always offers free parking including paved and plentiful accessible parking for persons with disabilities. If you ride your motorcycle to the track, we have a special area of reserved paved parking just for you.

What to Wear: Casual attire is the word at the Speedway. Just remember you are outdoors, so dress accordingly and don't forget the sunscreen. Closed toed shoes and long pants are recommended in the pit area; shirts must be worn at all times regardless of whether you're in the pit area or the grandstands. The races can get loud so if you have sensitive hearing, ear plugs or ear muffs may be the ticket for you. Both products can be purchased at the souvenir stand for a minimal cost.

Coolers: Coolers (no larger than 14") are allowed at Kalamazoo Speedway for all racing events. No glass bottles are allowed on the grounds. Your cooler will be subject to inspection before entry to the grandstand area. If your cooler is larger than 14" we will ask that you return it to your vehicle. No unattended coolers can be left at the gate. No wagons, strollers or pull carts of any kind are permitted on the following dates: July 4 (Red, White & Boom), August 7 (Kalamazoo Klash XXVII) August 17 (Bandit Big Rig Series) and September 14 (Night of Destruction).

Restrooms: Kalamazoo Speedway offers 2 modern restrooms. One is located immediately to your right as you enter the main Speedway grandstand entrance. The other is located further down the midway on the right near the souvenir stand. Both women's restrooms are equipped with baby changing stations. Numerous Porta-Johns are located throughout the venue.

If your pet demonstrates vicious behavior, you will be asked to remove your pet immediately. It is never acceptable to us to leave your pet in your vehicle during the races!
