SATURDAY | SEPTEMBER 14 THE LEGENDARY NIGHT OF DESTRUCTION

SATURDAY, SEPTEMBER 14: NIGHT OF DESTRUCTION

This Saturday. The Legendary Night of Destruction. We've got fan favorites: Monster Trucks ▪ Bus Races ▪ Trailer Races ▪ Spectator Drags ▪ Mini FWD Enduro ▪ Demolition Derby. We haven't seen a Jet Car do its thing in years, but you'll see (and hear) one this year. And then there is the new: Double-decker Stacker Cars (first time in Michigan) ▪ Scarecrow World Record Limo Jump plus another new Scarecrow stunt (they are never dull!) Then we close out the night with FIREWORKS!!

Family fun awaits. We will see you at the 2019 Night of Destruction.

PROGRAM INFORMATION

Free Bus Rides	5:00 – 7:00
Adults	\$20
Youth 6-12	\$10
Kids 5 & Under	FREE
Program Starts	7:30 PM

Clockwise: Monster trucks from a past Night of Destruction; cars with trailers go for the win while going around piles of debris ("ground clutter" as announcer, Jason Seltzer says); Scarecrow flies through several campers at last year's Night of Destruction; fans watch the action; the Demolition Derby from the Red, White & Boom; the free bus rides are a big hit and the drivers sometimes get a bit competitive with one another; the Zoo Stacker cars will make their first Michigan appearance at this year's night of Destruction.

FRIDAY, SEPTEMBER 27 – SUPER SHOE WEEKEND STARTS

There were 388 campsites available to reserve in advance for Super Shoe weekend (no need to run in the Footrace!) By publication time for this edition of Track Talk (Tuesday, September 10), there were only 11 of the 388 remaining. Kalamazoo Speedway officials held back 98 additional campsites for those who can't wait to dash for their campsite at the annual Shotgun Footrace (Sunday, September 22 at 2:00 PM sharp). Come on out to claim your campsite.

Friday, September 27	Qualifying
Saturday, September 28	Qualifying, Heats and Features
Sunday, September 29	Features, Features, Features

Time is almost up to purchase your raffle tickets for the enclosed trailer giveaway on Super Shoe Sunday. Tickets are \$5 per ticket or 5 for \$20. YOU could take home this great trailer donated by Techworks Trailer Sales and Team Spirit Custom Trailers, but only if you buy a ticket! All proceeds go to the Zoo Kares for Kids program. Thank you for helping Kalamazoo Speedway bring a little extra cheer to area children at the holidays.

SATURDAY, OCTOBER 26 – AWARDS BANQUET (WESTERN MICHIGAN UNIVERSITY)

PHOTO MEDLEY

We are wrapping up our family photos with this issue. We missed a couple of teens and family racers and will make another go of it next year. Above are the father/son team of Brandon and Jerry Zachary. Brandon is the 2019 Street Stock Champion. Jerry's been a long-time part-racer. Then we've got Andrew and Bryce Peters. Bryce is new this year, joining the season in late May. Andrew has raced in a handful of races at the Zoo in a few previous years and was a more familiar face this year.

Clockwise: That's Kyle Shannon on the left who raced a couple of times late in the season and won the Zoo Stock 'B' feature on Season Championship night. He was part of the 2016 Mini Stock Touring series coming in 5th. Kyle is the son of long-time Outlaw Super Late Model driver, Billy Shannon (pictured with his wife and daughter). Billy finished 7th in the final point standings this year; Logan and Rielly Meade are brothers. It was a big Season Championship night for the brothers: Rielly won the 2019 Zoo Stock track championship and Logan won the Zoo Stock 'A' feature and finished 7th in the final point standings; Shane Miller drives a Street Stock and has finished in the top 10 in the final point standings for a few years (7th in 2019). His dad, Dave, has driven a few cars at the Speedway but is most known for his success in Enduro racing.

FAST, FAMILY FUN FOR 70 YEARS
