Gary says we're not going to Hawaii after all. Nope, we're off to the Caribbean for the awards party. Pull out your best tropical island apparel; there'll be several door prizes for the best dressed drivers as well as our flashiest dressed guests.

No long stuffy speeches! We want to celebrate our accomplishments and have a good time doing so. A DJ will supply the music and our fabulous fashions will keep it light, comfortable and casual.

Remember! If you had perfect attendance for your class in 2019, you will be eligible for a drawing. Three prizes will be awarded to drivers who are present at the Awards' Party. The top prize is \$500 cash, second place receives a 2020 15-punch Pit Pass valued at \$450 and third prize is \$200 cash.

Please join us as we hand out a bundle of hardware to close out the 2019 season and have a chance to visit with one another before the long off-season. Call the Speedway office at 269-692-2423 or shoot Gary an email to order tickets: gary@kalamazoospeedway.com.

SUPER SHOE NATIONALS XIII – THE RECAP! PART II

Part II of our coverage of Super Shoe is a photo album of shots we took while roaming around the pits. Last week we covered qualifying, all the heat races and the C and D features. The rest of the weekend was rained out.

Above. Tyler Roahrig, who didn't compete, shoots the breeze with Donnie Brest, who did. It's always fun to see which Disney themed design Kevin Sauer will sport on his car.

The crossover was a very popular spot all day Saturday as drivers and crews moved between the upper and lower pits. The hood ornament caught our eye, unfortunately we couldn't match up the car number and description on the registration form to identify whose car it was on.

Below: Teams in various stages of waiting to get onto the track.

People watching.

And then there are the cars. Check out the rear tire of the #94.

And sometimes things just don't go as planned.

Oops. Missed the shot.

HAUNT PARK

It's that time of year. Time for those of you who love having the [REDACTED] scared out of you to head to the various venues around the state that will do just that. And you don't have to travel far. Located on the Kalamazoo Speedway grounds, the Haunt Park is open to terrorize you. So how many people couldn't finish the experience last year? 259. Then there were the 25 people who wet their pants. Check out the Park's website for all of the experiences available and happy screaming—Seriously you can hear screams from the road!
