WEEKLY SKYBOX RENTALS (when available)

Weekly Rental	\$15 Event	\$20 Event	Kalamazoo Klash	Super Shoe Weekend
8 Person	\$250	\$350	\$400	\$500
16 Person (Standard)	\$450	\$600	\$625	\$850
16 Person (Deluxe)	\$500	\$650	\$675	\$900

NOTE: All skyboxes are owned by Kalamazoo Speedway. Reselling and/or subletting Speedway property to another party is not permitted and may result in the renter of record forfeiting their use of the skybox for the remainder of the season. We recognize that skybox renters may, from time to time, allow trusted family members or close friends to use the box in their place rather than let the box go unused on a race night. The renters of record will be held responsible for any damages.

PIT STALLS

Teams racing for the entire season may rent a pit stall. Infield pit stalls are \$100 per stall and Upper pit space is rented for \$50 per stall. Priority is given to teams that desire to keep the stall(s) they rented in the previous year. It is not necessary to rent a pit stall in order to race at Kalamazoo Speedway. There are plenty of free paved pit stalls (all with electric) for part-time drivers and for those who don't mind having a different pit location and different neighbors every week. Pit stall rentals are effective from April 23 through September 2.

Note: Teams that rent a pit stall are subject to the following provisions.

- 🚩 Premier Events and Traveling Series: Pit stalls will occasionally need to be altered for events such as the Klash or leased events.
- 🚩 Off Weeks for Your Class: When your class is not scheduled to race, your pit stall may be used for another driver whose class is running. In the event you plan to use your reserved stall for another car that will be competing you must text or email Gary Howe by Friday morning to let him know you plan to use the space.
- 🚩 Not Competing When Your Class is on the Schedule: If you will **not** be racing on a night your class is scheduled to race you must contact Gary Howe by Friday morning to let him know you will not be using the space. A no show/no call for a week when your class is on the schedule will result in your pit stall being given away for the next night your class is scheduled to race.
