

With an unfavorable forecast for the Friday, July 15 Raber's Street Stock Rumble, we're going to go with a triple-header on Saturday, July 16. Raber's Rumble, the Template Late Models and Kalamazoo Klash XXX for the Outlaw Super Late Models will all run on July 16. (Please review the revised schedule.) With the change of dates, Raber's Rumble will no longer be a point race.

Adult tickets for Saturday, July 16 will remain at \$25 for adults; \$10 for youth. Pit passes are \$40 for adults and \$20 for youth. Weekly skyboxes are sold out for Saturday's event; therefore, skyboxes rented for Friday, July 15 will be refunded unless a guest would like us to move them to another night.

Ticket windows and the pits will open at 11:00 AM on Saturday, July 16 with cars hitting the track at 2:30. Racing will start at 7:00 PM as originally scheduled.

The \$1,000 to win events for both front wheel drive classes will be run at a later time as will the \$200 to win Zoo Stock B feature.

We regret having to make changes and the inconvenience it may cause.
