WEATHER WIPES OUT MAY 12 RACE PROGRAM

No doubt about it, we've had a rough start to the 2023 racing season! It's especially disheartening to have perfect weather for days prior to race day only to have race day itself dawn with a soggy forecast. Surely the odds are with us for the rest of the season.

The races from the May 12 program will be run as follows:

-  The Hutcherson Construction Big Money purse (\$1,200) for the Late Models has been moved to June 16.
-  The \$2,000 to win Techworks Trailer Sales Street Stock purse has been moved to June 2. Randy's Trucking is footing the bill on this one.
-  The O'Reilly Auto Parts Outlaw FWD \$1,000 to win purse for the Dare to Be Different Race for Autism Awareness has been moved to July 21. Thank you race sponsor Finish Line Fabricating.
-  The Spartan Insulation Zoo Stock will race for their \$400 to win purse on June 2. Randy's Trucking is the purse sponsor.

We will see you on May 19 when the Modifieds make their first of four 2023 appearances at Kalamazoo Speedway.
