

SUSPENSIONS FOLLOW UNSPORTSMANLIKE CONDUCT

July 21, 2023

Kalamazoo Speedway had a longer night than usual due to an unusually high number of cautions. Prolonged interruptions in the race program taxes us all: management, staff, drivers and fans. However, adversity or a favorite driver not achieving the desired outcome is no excuse for unruly behavior, vulgar or offensive language or gestures. There is no place in the sport for this sort of behavior and it will not be tolerated.

The following individuals have been suspended from entering the pits for two weeks (events) as a result of unsportsmanlike conduct on July 21. Each individual may enter the grandstands and their team car(s) may race.
