## AWARDS PARTY

We ran into a bit of a snag on the Awards Party. We're still planning to hold one but have unexpectedly found ourselves without a venue! We are shooting for November 4, but that may need to change. Stay tuned.

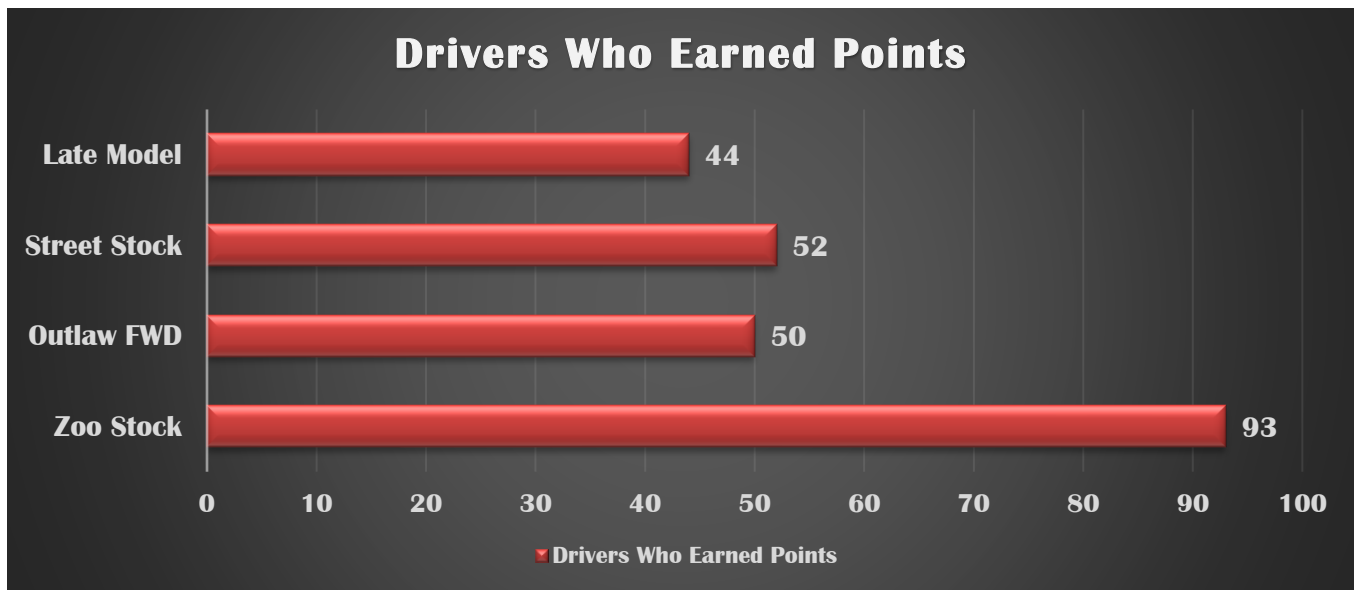

## 2023 SEASON RECAP

With no races to report on, we'd thought we'd offer a few season recaps over the next several months. First up are the number of drivers who earned points in the four weekly classes. Thank you to all the teams that came out.

In subsequent months we'll highlight classes like the Outlaw Super Late Models and Modifieds that raced with us, but not for points. We'll also look at the top 10 in each of the weekly classes.

Thank you to all the drivers and teams that raced at Kalamazoo Speedway, whether points were awarded or not!
