It's the last Kalamazoo Speedway sponsored racing event of the 2023 season. Come on out for great racing and great company over the Super Shoe weekend. For many, it's a September tradition and the stuff from which memories are made.

The chart to the left (and continuing on the next page) capture the major event times.

Check out the website (home page 'Super Shoe Information') for driver registration forms, the rules for all divisions, payout, daily schedules, camping information, pit spots, maps and general information. Still can't find what you want to know? Call us at 269.355.4628.

SEPTEMBER 16, 2023 🚩🚩 NIGHT OF DESTRUCTION REVISITED

It's a wrap for the September Night of Destruction. From the pit party, the giant bounce house furnished by the National Guard on the midway, the actual program and closing with a fireworks display, we hope the thousands in attendance had a great time. Thanks to all the fans who came out and all the drivers who were a part of the show.

Zach Agy, Tommie Mahone and Chris Bowling came out to drift the infield and the oval (bravely as they followed the Tough Trucks Obstacle Course and the Stacker Race events that left parts and pieces all over).

Colin Bozell won the \$1,000 for the Tough Trucks Obstacle course. Josh Trammel and Matt Edmonds won the Stacker Race followed by Kalamazoo Speedway staff Walter Nielson and Joe Shafer came in second. Kenny Wright won the Checkers and Wreckers Tough Truck Send It \$1000 with Colin Bozell coming in as the runner-up. Preston Collett took home the \$1,500 first prize for the trailer race with the remainder of the top 10 being Stephen Beyer, Eddie Burgen, Josh Zeinstra, Kreg Warner, Austin Langeland, Josh Trammel, Josh Feltner, Paul Pitsch and Mark Porter. Bubba Brooks won the Semi Truck races with Steve Roden coming in as the runner-up. Being it's the Night of Destruction, there really isn't a Victory Lane but we thought we'd share the winners anyway!!

Below (clockwise): Paul Pitsch's trailer was best in show for the trailer race. All items were repurposed from garbage folks put out at their curbs; the National Guard's obstacle course on the midway; a gentleman finds unique seating (at tough truck obstacle) during the pit party; the mini-wedges ran heat races and their feature during the pit party.
