BLACK FRIDAY DEALS

We haven't done a Black Friday offer since the track moved from Saturday to Friday nights so it seemed about time! Black Friday offers are good only from Monday, November 20 – Monday, November 27.

Seasonal skyboxes. Get \$100 off an 8-person seasonal skybox or \$200 off a 16-person skybox by making your reservations and payment during Black Friday week. That works out to be \$133 per night for an 8-person box for the 24 events on the 2024 schedule and includes the Klash, Nights of Destruction and premium nights such as the Intimidator 100 and the Mod races. For instance, eight adult grandstand tickets for the Klash run \$240, for the Nights of Destruction, \$200.

Pit pass punch cards. The 15-punch pit pass, retailing at the discount price of \$475, can be ordered for \$450, while the normally \$325 10-punch pass will run \$300. Buy one for yourself or make it a gift!

Grandstand punch cards. We're running a special of \$200 for two grandstand punch cards (#10 - \$15 races per card). For nights when the ticket price is more than \$15, use one punch plus pay the difference. (Buyers must buy 2 in order to receive the discount—buy one for you and one as a Christmas gift for the race enthusiast in your life!)

4TH ANNUAL BAD SANTA ENDURO (LEASED EVENT)

Brought to you by Midwest Compacts, LLC, the Bad Santa Enduro (\$1000 to win) returns to Kalamazoo Speedway on Saturday, November 25.

Gates open at 11:00 AM with the Enduro starting at 2:00. There's a power wheels event for the kids at 1:30. Pit passes run \$35. Drivers pay a \$50 registration fee which includes a pit pass. Adult grandstand tickets are \$20; youth 5-12 are \$5, 4 and under are FREE.
