Last Chance Races: When 23 or more cars qualify in the Late Model, Limited Late Model or Street Stock class, the top 16 cars will lock into the A Feature. The remaining cars will run a Last Chance Race and the top 4 finishing cars will start at the tail in the A Feature. The laps and inversion for each Last Chance Race will depend on the total car count for that event. Cars triggering a Last Chance Race and the number of cars advancing may be modified without notice.
