Kalamazoo Speedway does not ask drivers to register in advance for Speedway events, as a result of this, drivers who are running their first point race at the track on July 25 will not be listed in the program. For Kalamazoo Speedway weekly classes; all drivers listed have earned points this season. Please note that dividing the Front Wheel Drive class into the three divisions for championship purposes is a work in progress and should be firm following tonight's races. Thank you for your patience.

We try to keep to the schedule and thank you for your understanding when we need to make changes.

Thank you for joining us tonight! We will see you next week.
