Kalamazoo Speedway does not require drivers to register in advance for Speedway events, as a result of this, drivers who are running their first point race at the last point race of the season (August 22) will not be listed in the program. All drivers listed have earned points this season.

We try to keep to the schedule and thank you for your understanding when we need to make changes.

Thank you for joining us tonight! We hope to welcome you on August 30 for the return of the CRA/JEGS series running the Kalamazoo Metal Recyclers 125 and the Techworks Trailers Raber's Street Stock Rumble.
