

We have not caught much of a break in terms of weather thus far in this young 2022 season. With a high probability of rain and storms in the forecast for both Friday, May 20 and Saturday, May 21, we are, regretfully, cancelling both events.

The June 3 Hutcherson Grand Slam Race #2 will become Race #1. Race #2 will be run on Friday, July 1.

Persons who rented a skybox for April 16 or May 21 (the Krash & Bash) will be moved to the June 25 Red, White and Boom Night of Destruction. The Krash & Bash will not be rescheduled. Persons who bought advance tickets for either April 16 or May 21 may attend either the June 25 or September 17 Night of Destruction.

We look forward to welcoming everyone back to the Speedway for the 2-day Winged Sprint event on Friday, May 27 - Saturday, May 28, 2022. Not only will this weekend event feature hot racing, but it will also honor our veterans as part of the Memorial Day weekend. Thank you for making Kalamazoo Speedway your hometown race track!
