Previous page left: Mark Gunthorpe (in the red) was the 2021 Rookie of the Year for the Zoo Stock, raced in each point race in the class, and finished the season in 12th place. He also ran at Super Shoe. Bryson Hosner placed 9th in the Zoo Stock final standings and also raced in each of the Zoo Stock point races in 2021. He was also busy, racing a couple of times in the FWD class, hitting Super Shoe and the Night of Destruction. Ryan Osborne is on the right and placed 3rd in the final standings in the Zoo Stock, also racing in each of the 11 point races in 2021. He, too, ran at Super Shoe.

Below left: Charles Anderson (left), finishing 7th, and Aaron Anderson, finishing 5th, both raced in the Zoo Stock and like all of the Top 10 in that class never missed a point race. On the right, Season Champion in the Template Late Models is Nick Pressler, and below, Pressler winning the Template Late Model race at Kalamazoo Klash XXIX.
