## BIG RIG SEMI-TRUCK SERIES CANCELS JULY 30, 2022

**Big Rigs Semi-Truck Racing.** Many of you will have heard that for the second year in a row, a big rig series has cancelled their appearance mere weeks before the event was to run. We were not happy with this outcome last year (Bandit Big Rig Series) and we are not happy this year (FASS Big Rig Series). Because the big rig series was the headliner for the Saturday, July 30 show and because we were not able to secure a replacement at this late date, the July 30 event has been cancelled. We sincerely regret this outcome.

## JULY 8, 2022 RECAP

Not much to say! Rain washed out the July 8 program. We look forward to welcoming everyone to the big weekend of racing this weekend.
