

A heavy rain storm hit about the time cars were to take to the track for practice/qualifying. Radar indicates more is on the way. The August 5, 2022 racing program has been cancelled due to weather.

Those onsite should keep their pit pass wrist band; it is good for one use over the next four weeks. Persons who have already purchased their grandstand ticket may use their grandstand ticket to attend one race over the next four weeks.

More information will be posted once Autograph and Backpack Giveaway Nights have been rescheduled. More information will also be posted regarding setting the field for the Hutcherson Grand Slam Finale.

Thank you.
