

REMINDER!

Individuals who purchased a pit pass on August 5 and fans who purchased a grandstand ticket may use their wrist band or grandstand ticket on any one of the next four nights (August 12, 19, 26 or September 2) by presenting their wrist band or grandstand ticket at the ticket window.

Some lucky fan will win a complimentary skybox for August 19. Keep your August 12 grandstand ticket and listen for the announcer, Jason Seltzer, to announce the winning number before the feature races start. We will see YOU at the races.

TECH CORNER

Revision to last week's note: For Outlaw Super Late Models, Template Late Models and Street Stock features with 13 or fewer cars, the field will be fully inverted. For 14 or more cars, the inversion will be determined with a roll of the dice. Outlaw FWD and Zoo Stock features are fully inverted.

Drivers who choose to start at the tail of the field will no longer be exempt from breaking out.

LOST & FOUND

No items remain to be reunited with their owners. Items previously listed have been destroyed or donated.

AWARDS PARTY

The Awards Party for 2022 is scheduled for Saturday, October 22. The current plans include partying under the big top to a live band after handing out the hardware to our deserving drivers. More details to follow!

AUGUST 5, 2022 RACING RECAP

Crazy 8 Night turned crazy when the skies opened up just as cars were lining up for practice and qualifying. It was so hot out that the lake that formed in the infield felt like bathwater. Radar looked unfriendly even as the sun was coming out so the Crazy 8 ball was consulted and came up "call it". As it turns out, it didn't know what it was talking about but hindsight is 20//20. The Crazy 8 program will be run on Season Championship Night (September 2).

With no race results to share we'll go back to people watching.

At right, Taylor Imus and Skeeter mug for the camera.
