

Four attractions are designed to make you scream (yes; people scream and you can hear them from the road!) One of the attractions is Nightmares (below); you can experience Nightmares and the additional three attractions on the nights listed on the calendar. Times and ticket pricing may be found at www.hauntpark.com.

The rotting abandoned corpses strewn about Nightmares should have been warning enough, but now you're on your own in this terrifying world controlled by the undead. Stay alert and watch your back. It's best to forget about the dawdlers. They weren't meant to survive anyway. Just say your goodbyes and **SAVE YOURSELF!**

Then it's the AutoMODIFIED sponsored **Slidewayz at the Zoo** drifting event on October 15. The event is open to the public; grandstand pricing is just \$5 for adults, youth 12 and under are free. See the poster (right) for more details.
