

November 18, 2022

While Drifting Through the Snow (♪♪♪) had a certain appeal, relentless weather has created inhospitable conditions on the roads and at Kalamazoo Speedway. With regret, AutoMODIFIED has rescheduled its Driftsgiving Event from Saturday, November 19, 2022 to Sunday, November 27, 2022. All other event details remain the same:

Gates open at 11:30 AM

Driver Tech at Noon

Track goes live from 1:00 – 7:00 PM

\$5 grandstands (Youth 12 and under are FREE)

\$125 skyboxes

(limited number of 8-person boxes are available)

\$80 entry for drivers (includes one pit pass)

\$20 pit passes

Drivers and skybox rentals should plan to pay in advance through PayPal.
