

GRANDSTAND PASS

The **10-Punch Grandstand Pass (\$125)** is good for 10 events with a ticket price of \$15. Use any number of punches per visit (e.g., bring 4 people, use 4 of the punches for that visit). When attending a higher priced event, simply pay the difference plus one punch. Passes are good for all Kalamazoo Speedway events on the 2023 schedule except leased events. Leased events are noted as such on the schedule.

SEASON PIT PASS

Pit passes may be purchased as a **10-punch (\$325)** or **15-punch (\$475)** pass. One punch is good for one day (e.g., three punches would be needed for the 3-day Super Shoe Nationals). Passes are good for any event on the 2023 Kalamazoo Speedway schedule except leased events. Leased events are noted as such on the schedule.

SEASON SKYBOX (8-PERSON)

The seasonal rental for an **8-person skybox is \$3,200**. The seasonal rental covers all events on the 2023 Kalamazoo Speedway schedule except practices and the November 25 Enduro. Priority is given to groups or individuals who desire to keep a box they rented in the previous year. For persons unable to manage stairs, an elevator is available for front stretch skyboxes.

SEASON SKYBOX (16-PERSON)

The seasonal rental for a **standard 16-person skybox is \$6,500** (equipped with seating, a restroom and mini-fridge). The larger **deluxe 16-person skybox is \$7,200**; it's equipped with a restroom, microwave, counter/cabinets. The seasonal rental covers all events on the 2023 Kalamazoo Speedway schedule except practices and the November 25 Enduro. Priority is given to groups or individuals who desire to keep a box they rented in the previous year.

NOTE: All skyboxes are owned by Kalamazoo Speedway. Reselling and/or subletting Speedway property to another party is not permitted and may result in the renter of record forfeiting their use of the skybox for the remainder of the season. We recognize that skybox renters may, from time to time, allow trusted family members, close friends or business associates to use the box in their place rather than let the box go unused on a race night. The renters of record will be held responsible for any damages. There are no refunds for rainouts for seasonal rentals. Weekly renters may elect to be moved to another night; when this is not possible, a refund will be processed.

AUTOMODIFIED TO RUN A FULL SEASON AT THE ZOO IN 2023

Kalamazoo Speedway is the new home for AutoMODIFIED, a car club that hosts drifting events for experienced drivers as well as novices, independent drivers as well as sponsored drivers. A total of 13 events will run from April – November on Saturdays. Two of the 13 events are multi-day competition events. Unlike Kalamazoo Speedway weekly race events, AutoMODIFIED runs in the rain (as it did on their final night of the 2022 season).

Grandstand tickets are only \$5 (12 and under are FREE). Limited skyboxes are available for all events. We've reprinted the 2023 schedule below plus it's on kalamazospeedway.com under the Schedule tab.

From left to right: Jeremy Young, Keith Wilfong, Alex Sexton, Katie Town (for Kyle Ribble), Danny Oxford, DJ Oxford and Zach Westdorp. Below: Ricky LaDuke (2022 Street Stock Track Champion)

Number of drivers in the class who earned points in 2022: 65

Continuing the 2022 Top 10 family connections, it's the Oxfords in this class.

Keith Wilfong won the Last Chance Race for the non-point Raber's Rumble. Jeff Town placed in the top 5 for the Rumble with both Jeremy Young and Matt Weenink placing in the Top 10.

Ricky LaDuke took fast time in Andy Jach's July 3 race for the Street Stock and went on to win

the feature, adding a feature win in the Ohio Wheelman Series at the American Speed US Nationals at the Zoo in May. LaDuke finished up his Speedway season with a RWD C Feature win at Super Shoe.

Kyle Ribble put up fast time for Raber's Rumble.

Rookie of the Year: Jeffery Town

Raber's Rumble was rained out and ran along with the Kalamazoo Klash and Template races. That line-up was such a success that we're doing it again in 2023!
